LIBRI JOURNAL PUBLISHING PRINCIPLES CONTROL AND UNDERTAKING FORM

(This document can be sent to the "relevant authority" when necessary).

- 1) I accept and declare that the article has not been published in and no applications have been made for it to be published in any other journals/books. *(If the situation is contrary, the article submission restriction specified in the [Libri Ethical Principles and Publication Policy](#) (see [Submission and Authorship](#)) and Article 20 of the [Journal Directive](#) will be applied).*
 Yes No
- 2) What is the type of the article in question?
 Epigraphy Translation Review
- 3) I confirm that I have obtained the necessary permissions for the publication of the archaeological or epigraphic materials of the article from the head of the excavation / museum or the necessary authorities *(Please send the letter of the relevant permission together with the article).*
 Yes No
- 4) The information contained in the said study is original and meets scientific standards.
 Yes No
- 5) If it is an epigraphical article: Has the article been generated from a thesis/project? *(If so, it must be clearly stated directly beneath the author tag in the article during the application process. The similarity / plagiarism rate (20%) of our journal is effective for articles which have been generated from theses. Duplications will not be accepted).*
 Yes No
- 6) I declare that the article has been prepared in accordance with the [Libri Publishing Template](#) prior to being submitted to the Journal *(None of the information contained on the first page of the study, such as the Turkish / English title, the Name of the Author, the Abstract and the Keywords should be placed on the first page in a manner to fit on the first page and not extend on to the second page).*
 Yes No
- 7) The academic title of the author(s), the institutions the author(s) is/are employed at, their e-mail address and ORCID number have been set out in the identification tag section.
 Yes No
- 8) The works set out in the footnotes and the bibliography of the article, in accordance with the [Libri Publishing Principles](#), match each other.
 Yes No
- 9) I confirm that all required permissions have been obtained for any visual materials used in this document, including photographs, maps, and drawings. *(For copyrighted images that do not belong to the author, the attribution or the name of the person who contributed, if any, must be given in the figure description).*
 Yes No
- 10) The article (apart from the bibliography) possesses a maximum 20% rate of similarity, subject to the necessary references being cited. I accept that the article will not be published and returned to me for editing in the event that the similarity / plagiarism rate is found to be above 20%. *(Libri utilises the Ithenticate application and does not require authors to provide similarity reports. Also refer to the [Libri Ethical Principles and Publication Policy](#) for information on originality and plagiarism).*
 Yes No

11) Are there any contentious matters which may give rise to any ethical issues, in the article? *(If yes, please state)*.

Yes No

.....

12) I confirm that I have made / will make the necessary edits in the said study in the event that the reviewer in the peer review process has marked the expression, “can be published after being edited” *(If I do not, I will explain the reasons for this, together with their justifications, to the management of the journal and the peer review committee)*.

Yes No

13) If there are multiple authors for the article, their contributions should be indicated in the table below as a percentage.
